CLASS WILL AND TESTAMENT

We, the Senior Class of 1947, do make, publish, and declare this as our last will and testament.

To the Faculty, we bequeath appreciation for a task well done.

To the incoming Freshmen, we leave some of the beams of our radiant faces so there will be some brightness in the school.

To the Sophmore, Junior, and Senior Classes of "48" we bequeath our ability to learn.

Sam Furches leaves his snooty disposition to Myrlie Peoples and his outstanding grades to Billy Seats.

Stacy Beck leaves his waves to Gene Dull to enhance his date book.

Vestal Dull bequeaths his fastidous appearance to James Brock, hoping he will use it.

Charles Lashley leaves his ability to get along with the teachers to Bud Wallace and his love for an argument to Harvey White.

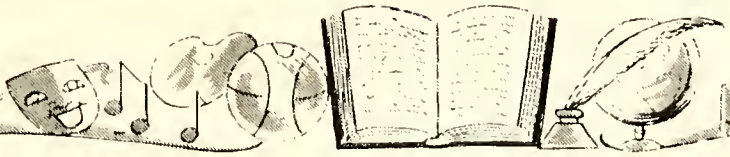
Roland West wills his brown eyes to Eula Riddle and his bashfulness to Lucille Reavis.

Harold Boger bequeaths his whiskers to Holt Howell.

Henry Lee Shore leaves his love affairs to Dean Dull and bus No. 17 to Willis Davis.

J. T. Pilcher wills his height to O. E. Driver and his curls to Helena Jarvis.

Lib Reavis leaves her space in the gossip column to Albert Gentle and her ability to get along with people to Lucille Ireland.



Thelma Anderson wills her basketball ability to Nancy Riddle, hoping it will be helpful in the future; her excess height she leaves to Betty Shelton.

Faye Anderson leaves her seat beside Holt in the study hall to Ollive Lowery and her ability go gu a r d to Catherine West.

Peggy Montgomery and Boots Allen wish to leav e their love for Perry Como and popular music to Ad a Atkinson, their general dignified Senior manner to Carolyn Eaton; they also wish to leave their positions as star basketball players to Pearlene Booe and Bettie Sparks.

The entire class bequeaths some weight to Mari e Ratledge.

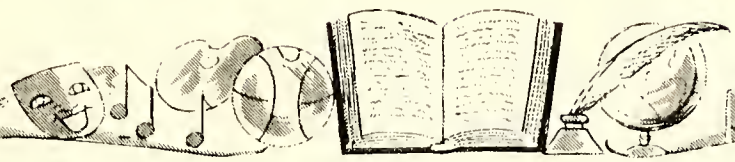
HISTORY

12 years ago 35 interested students entered the first grade under the supervision of Mrs. Phoebe Eaton. As we slowly climbed the ladder to high school, we lost a large percentage of our classmates.

We entered high school in '42 with 20 students. Our first year in high school was very memorable fo r us. We joined most all of the activities and tried to get into the swing of things.

In our Sophomore year we acted as Juniors a n d gave a beautiful banquet for the Senior Class in the Blue Room at the Robert E. Lee Hotel. We worked hard for the occasion but it really netted us loads of fun. We have been Seniors two years, but we get only o n e banquet.

Senior year is finally here with only 13 on the roll. We have endured all the many hardships of be-coming Seniors. Now with grateful hearts we bid you all,adieu.



PROPHECY

By 1960 Stacy and Pan will be firmly established in their 10 room house on 601 with their numerous children.

Vestal Dull by 1976 will weigh 299, wear size 45-33 pants, and shirts with flour sacks sewn in the back to allow room for spare fat.

Roland West's 3rd wife will be in Reno getting her divorce in 1965.

Charles Lashley will be returning from Paris, where he studied architect.

1968 will find Sam Furches making campaign speeches for Governor of North Carolina.

By 1975 Harold Boger on his ranch in Arizona will be reading his letters from his latest heart throb from lonely hearts club.

By 1954 J. T. Pilcher will have reached the height of 7½ ft. provided he grows at this present rate.

1953 will find Peggy Montgomery flying around the world in her private airplane with Billy Brock as navigator and Bud Baity as co-pilot.

1955 will find Beulah Allen removing grease paint after shooting a love-scene in her latest movie.

1954 will find Elizabeth Reavis as a tiny 100 lb. beauty dining in the Stork Club.

1960 will find Faye Anderson as a happy and successful housewife. At least moderately successful since this is her 2nd husband.

1949 will find Thelma Anderson playing basketball with the Atlanta Crackers.
